

Civil Union

Vows

_____, I take you to be my partner in life and in love.
When we are together, life is warm, safe, satisfying and passionate.
When we are apart, I carry you in my heart.
On this day, I affirm the relationship that we have enjoyed,
Looking to the future to deepen and strengthen it.
I promise to love you wholly and completely,
Without restraint, in sickness and in health,
In plenty and in poverty,
In this life and beyond.
I do not seek to change you in any way,
But I respect you as God has given you to me.
This is my solemn promise.

Vows

I take you as my partner, my friend and my love.
My hopes and dreams will now be intermingled with yours.
I will seek to balance my needs with those of our community and family.
I will openly draw from our combined experience and feelings in our search for truth
and meaning.
I will strive for harmony through compromise and understanding.
I will be forgiving, but not complacent.
From this day forward, I take shared responsibility for our marriage, family,
community and myself,
regardless of our successes or failures.
I promise to be faithful and true to you in mind, body, and spirit; to cherish you and
respect you;
and to be a source of comfort and encouragement, free and bound by our love, as
long as we shall live.

Vows

The wedding should begin by welcoming your guests. Friends, we have been invited here today to share with _____ and _____ a very important moment in their lives. In the years they have been together, their love and understanding of each other has grown and matured, and now they have decided to live their lives together as Life partners.

The Wedding Singer

"I wanna make you smile whenever you're sad
Carry you around when your arthritis is bad
All I wanna do is grow old with you
I'll get your medicine when your tummy aches
Build you a fire if the furnace breaks
Oh it could be so nice, growing old with you
I'll miss you
Kiss you
Give you my coat when you are cold
Need you
Feed you
Even let you hold the remote control
So let me do the dishes in our kitchen sink
Put you to bed if you've had too much to drink
I could be the person who grows old with you
I wanna grow old with you"
